

Autism Therapists (Part-Time)

DESCRIPTION: This is a part-time position teaching language and academic skills to children with autism using the methods of Applied Behavior Analysis (ABA). We provide extensive training and supervision to ensure competence.

RESPONSIBILITIES: Primary job duties include

- Implementing language and academic programs
- Collecting individual progress data
- Maintaining program books
- Creating new teaching materials
- Discussing session progress with parents
- All of the above activities are completed under the direction and supervision of a Board Certified Behavior Analyst and may require travel

MINIMUM QUALIFICATIONS: The preferred candidate will have (a) at least two years of college, (b) experience working with children, (c) effective oral and written communication skills, and (d) outstanding social skills.

SCHEDULE: The candidate must be able to work at least 20 hours per week and must be available 5 mornings per week or 5 afternoons per week.

STARTING SALARY: \$9-12 per hour, depending upon experience and education. There are excellent opportunities for advancement and benefits.

BEHAVIOR ANALYSIS, INC. is a leading provider of applied behavior analysis services to children with autism. We provide services at our offices in Sunrise, Florida; Miami Children's Hospital Dan Marino Center; Kendall, Florida; and in family homes throughout Broward and Miami-Dade counties.

TO APPLY: Send your resume and a cover letter to David Garcia at (954) 577-7780 (fax) or dgarcia@behavior-analysis.org (email).
